

Our Vision

We are committed to developing the whole child. As such, we are opening an **eLearning Club** to support our community and students as they further their academic and fine arts education. The **eLearning Club** will offer support to students as they navigate remote learning while also providing stress management solutions, social and emotional learning, and arts enrichment in a safe, socially-distant environment.

SUPPORT FOR REMOTE LEARNING

Our teachers and staff will assist students with their remote learning work. Student will accomplish their daily assignments and virtual class meetings.

SOCIAL DISTANCING PROTOCOLS

Numbers will be limited. Pods (cohorts) will be maintained. Masks will be worn by students and staff. Students will be kept at least 6 ft. apart at all workstations and in classes.

ACTIVE ARTS ENRICHMENT

Students will participate in daily arts enrichment activities that will include dance, yoga, drama, and art projects.

MOVEMENT & SOCIAL EMOTIONAL LEARNING

Students will participate in daily movement activities, journaling, and social/emotional lessons. Brain breaks and wiggle time will be provided frequently.

- If you're interested please complete the Pre-commit Form at lomastro.com/eclub by Oct 23 at 5 PM for first priority.

About eLearning Club

eLearning Club Dates & Hours

eLearning Club at LoMastro will support 2nd-4th grade students during Dist 67's 10 day "adaptive pause" beginning Nov 2 and run Monday – Friday from approximately 8:30a.m. – 2:30p.m (We will adjust times pending the remote learning schedule at Dist 67 if necessary). The following schedule is based on the 10/22 communication from Dist. 67.

November 2: Asynchronous remote instruction support

November 3: No remote instruction. We will have a fun day of classes and activities planned.

November 4-6: Remote Learning support

November 9-13: Remote Learning support

Note: We will consider continuing eLearning Club beyond the 10-days if Dist 67 remains remote. At this time you are only committing to Nov 2-13.

Capacity & Social Distancing

eLearning Club Pods will be capped at 8-10 students. Students will have individual workstations and individual spaces in activities. Each eLearning Club Pod will have two designated classrooms. One classroom for workstations spaced more than 6+ feet apart and a second classroom for movement activities during the times the students aren't engaged in e-learning. Each pod would stay in their 2 classrooms, no mixing of Pods. Our goal would be to offer as much non-screen time activities as possible. Spaces will be sanitized throughout the day and following regular studio dance classes. Students and staff will be required to wear masks.

What to Bring

Families are responsible for providing a lunch and all electronic equipment necessary for your child's education. This can include a laptop computer, power cord, wireless mouse, headphones, and webcam.

Tuition Rates

Tuition is: \$510 per week for enrolled students, \$536 per week for the public. Non-enrolled siblings of LoMastro students will receive the enrolled student rate. First priority will be given to families with children currently enrolled at LoMastro.
